Iedereen is van de wereld – The Scene

Dit is voor de misfits die je
her en der alleen ziet staan
die onder straatlantaarns eten
en drinken bij de volle maan

Dit is voor degenen
die je overal herkent
en deze is voor jou en mij
want dit is ons moment

*En ik hef het glas
op jouw gezondheid
want jij staat niet alleen*

*Iedereen is van de wereld
en de wereld is van iedereen
Iedereen is van de wereld
en de wereld is van iedereen*

Deze is voor iedereen die passie heeft
en die voor passie gaat
In het donker kan ik jou nooit zien
maar ik weet dat jij daar staat

*En ik hef het glas...
Iedereen is van de wereld...*

Rood, zwart, wit, geel, jong, oud, man of vrouw
In het donker kan ik jou niet zien
maar deze is van ons aan jou

*En ik hef het glas...
Iedereen is van de wereld....*

Welkom, aansteken van de kaars en stil worden

Inleiding op 'Mother Earth'

Mother Earth – Neil Young

Oh, Mother Earth,
With your fields of green
Once more laid down

by the hungry hand
How long can you
give and not receive
And feed this world
ruled by greed
And feed this world
ruled by greed.

Oh, ball of fire
In the summer sky
Your healing light,
your parade of days
Are they betrayed
by the men of power
Who hold this world
in their changing hands
They hold the world
in their changing hands.

Oh, freedom land
Can you let this go
Down to the streets
where the numbers grow
Respect Mother Earth
and her giving ways
Or trade away
our children's days
Or trade away
our children's days.

Respect Mother Earth
and her giving ways

Or trade away
our children's days.

Kyriegebed voor de aarde en haar bewoners

Gloria – zingen van Gods liefde

Shackles – Mary Mary

*Take the shackles off my feet so I can dance
I just wanna praise You
You broke the chains now I can lift my hands
And I'm gonna praise You*

In the corners of my mind
I just can't seem to find
A reason to believe
That I can break free
Cause you see I have been bound for so long
Felt like all hope was gone
But as I lift my hands
I understand
That I should praise You through my circumstance

Take the shackles off my feet...

Everything that could go wrong
All went wrong at one time
so much pressure fell on me
I thought I was gonna lose my mind
Lord I know You wanna see
If I will hold on through these trials
But I need You to lift this load
Cause I can't take it no more

Take the shackles off my feet.....

Been through the fire and the rain
Bound in every kind of way
But God has broken every chain
So let me go right now

Toelichting bij 'Longer'

Longer – Dan Fogelberg

*Longer than there've been fishes in the ocean
Higher than any bird ever flew
Longer than there've been stars up in the heavens
I've been in love with you
Stronger than any mountain cathedral
Truer than any tree ever grew
Deeper than any forest primeval
I am in love with you*

I'll bring fire in the winters
You'll send showers in the springs
We'll fly through the falls and summers
With love on our wings

Through the years, as the fire starts to mellow

Burning lines in the book of our lives
Though the binding cracks and the pages start to yellow
I'll be in love with you

Longer than there've been fishes in the ocean...

Tweede lezing Matteus 25: 31 – 40

Eleanor Rigby – the Beatles (Lennon & McCartney)

Ah, look at all the lonely people

Eleanor Rigby, picks up the rice in the church
where a wedding has been,
lives in a dream,
waits at the window, wearing the face
that she keeps in a jar by the door.
Who is it for?

*All the lonely people, where do they all come from?
All the lonely people, where do they all belong?*

Father McKenzie's writing the words of a sermon
that no one will hear,
no one comes near,
look at him working.
Darning his socks in the night when there's nobody there.
What does he care?

*All the lonely people, where do they all come from?
All the lonely people, where do they all belong?*

*Ah, look at all the lonely people
Ah, look at all the lonely people*

Eleanor Rigby, died in the church
and was buried along with her name,
nobody came.

Father McKenzie's wiping the dirt from his hands
as he walks from the grave,
no one was saved.

*All the lonely people, where do they all come from?
All the lonely people, where do they all belong*

Toelichting bij 'Nothing else matters'

Nothing else matters – Metallica

*So close, no matter how far ...
Couldn't be much more from the heart
Forever trusting who we are
And nothing else matters*

Never opened myself this way
Life is ours, we live it our way
All these words, I don't just say
And nothing else matters
Trust I seek and I find in you
Every day for us something new
Open mind for a different view
And nothing else matters

Never cared for what they do
Never cared for what they know
But I know

So close, no matter how far...

Lean on me – Bill Withers

Sometimes in our lives we all have
pain
We all have sorrow
But if we are wise
We know that there's always tomorrow

*Lean on me, when you're not strong
And I'll be your friend
I'll help you carry on
For it won't be long
'Til I'm gonna need
Somebody to lean on*

Please swallow your pride
If I have faith you need to borrow
For no one can fill those of your needs
That you don't let show

Lean on me....

So just call on me brother, when you need a hand
We all need somebody to lean on
I just might have a problem that you'd understand

We all need somebody to lean on

If there is a load you have to bear
That you can't carry
I'm right up the road
I'll share your load
If you just call me

Lean on me ...

Toelichting bij 'Fragile'

Fragile – Sting

If blood will flow when flesh and steel are one
Drying in the colour of the evening sun
Tomorrow's rain will wash the stains away
But something in our minds will always stay

Perhaps this final act was meant
To clinch a lifetime's argument
That nothing comes from violence and nothing ever could
For all those born beneath an angry star
Lest we forget how fragile we are

*On and on the rain will fall
Like tears from a star
On and on the rain will say
How fragile we are*

Man in the mirror – Michael Jackson

Gotta make a change
For once in my life

It's gonna feel real good
Gonna make a difference
Gonna make it right

As I turned up the collar
On my favorite winter coat
This wind is blowin' my mind
I see the kids in the street
With not enough to eat
Who am I to be blind
Pretending not to see their needs

A summer's disregard
A broken bottle top
And a one man's soul
They follow each other
On the wind ya' know
'Cause they got nowhere to go
That's why I want you to know

*I'm starting with the man in the mirror
I'm asking him to change his ways
And no message could have been any clearer
If you wanna have the world a better place
Take a look at yourself and then make a change*

I've been a victim of
A selfish kinda love
It's time that I realize
There are some with no home
Not a nickel to loan
Could it be really me
Pretending that they're not alone

A willow deeply scarred
Somebody's broken heart
And a washed out dream
(Washed out dream)
They follow the pattern of the wind ya' see
'Cause they got no place to be
That's why I'm starting with me

I'm starting with the man in the mirror

Zegen

Zing, vecht, huil, bid, lach, werk en bewonder – Ramses Shaffy

Voor degene in een schuilhoek achter glas
Voor degene met de dichtbeslagen ramen
Voor degene die dacht dat-ie alleen was
Moet nu weten, we zijn allemaal samen

Voor degene met `t dichtgeslagen boek
Voor degene met de snel vergeten namen
Voor degene die `t vruchteloze zoeken
Moet nu weten, we zijn allemaal samen

*Zing, vecht, huil, bid, lach, werk en bewonder
Niet zonder ons*

Voor degene met de slapeloze nacht
Voor degene die `t geluk niet kan beamen
Voor degene die niets doet, die alleen maar wacht
Moet nu weten, we zijn allemaal samen Voor degene met z`n
mateloze trots
In z`n risicoloze hoge toren

Op z`n risicoloze hoge rots
Moet nu weten, zo zijn we niet geboren

*Zing, vecht, huil, bid, lach, werk en bewonder
Niet zonder ons*

Voor degene met `t open gezicht
Voor degene met `t naakte lichaam
Voor degene in `t witte licht
Voor degene die weet, we komen samen

*Zing, vecht, huil, bid, lach, werk en bewonder
Niet zonder ons*
